

EXTENDING THE DIALOGUE: A CENTRAL ROLE FOR THE MULTIDISCIPLINARY TEAM IN OBESITY CARE

13:00 – 14:00 | Friday 4th September 2020
Available on the ECO-ICO Online 2020 congress platform

How can we improve our interactions and better support people living with obesity?

What are the benefits of a multidisciplinary approach to obesity care?

Join us for this Live interactive virtual symposium!

Donal O'Shea

Michael Vallis

Susie Birney

The **Extending the dialogue: a central role for the multidisciplinary team in obesity care, Dublin, Ireland, 04/09/2020-04/09/2020** has been accredited by the European Accreditation Council for continuing Medical Education (EACCME[®]) with 1 European CME credits (ECMEC[®]s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME[®] credits to an equivalent number of **AMA PRA Category 1 Credits[™]**. Information on the process to convert EACCME[®] credit to AMA credit can be found at www.ama-assn.org/education/eam-credit-participation-international-activities.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME[®] for ECMEC[®]s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

This symposium is supported by an educational grant from Novo Nordisk A/S.

This event has been awarded 0.5 SCOPE point.
